Mr Van Heuckelum, a resident of Katikati and olive grower was in attendance regarding his application to run an additional produce market on Sunday in Waihi Beach. The below points were noted:

- A group of local growers and producers would like to establish a weekly farmers market at the reserve behind the Waihi Beach Community Hall on the same day as the existing Sunday Market.
- The market would be funded through interest free loans from the market's committee members.
- Mr Van Heuckelum believed that the two markets would compliment each other and benefit the wider Waihi Beach.
- It was not possible for the market to be held on another day due to the growers and producers being committed to other markets.

7.2 VARIOUS SPEAKERS – CURRENT SUNDAY MARKET

Pippa Coombes, Doug Longdill, Nicky Knight, Willy Postma (Secret Garden), Andy Kennedy (Flatwhite Cafe), and Kelly Moselen (Sunday Market) spoke in support of the existing Sunday Market and the following views were noted:

- Letters of support for the Sunday Market from Pippa Coombes, Doug Longdill and Joanne Coombes were presented to the Board (Tabled Items 1 & 2).
- The Sunday Market attracts foot traffic into the shops on Wilson Road, an additional market on the same day may affect this.
- There was support for the proposed farmers market, however, it should be held on a different day to the Sunday Market.
- Mr Van Heuckelum should work together with the Sunday Market to come to a solution.

7.3 TREVOR ALLAN – ADDITIONAL PRODUCE MARKET

Trevor Allan spoke in support of the proposed farmers market and the following views were noted:

- There was not enough local produce at the existing Sunday Market and more opportunities need to be created for local growers.
- The Sunday Market at Wilson should be split so there was a dedicated section for local produce.
- There was more than 30 growers and producers that wanted a stall at the proposed farmers market.

Mr Henderson was in attendance and spoke on behalf of the Athenree Action Group on the below issues:

- Athenree lacked footpaths, kerbing and channelling in the area. The Board was presented with a copy of the group's proposal (Tabled Item 5).

- The Board requested the Cycleways Manager to attend next Community Board meeting to discuss the Athenree-Waihi Beach crossing.

7.5 MIKE HICKEY – VARIOUS ITEMS

Mr Hickey was in attendance and spoke to the Board about the below issues:

- Mr Hickey was concerned that Council had not acknowledged his submission despite requesting an acknowledgement of receipt. It was noted that there were 35,000 individual responses to the Your Place engagement survey and it was unlikely that Council staff had been able to respond to his request.
- There had been 158 dog attacks in the Bay of Plenty area up from 120 the previous year.
