10 REPORTS**10.1 RECOMMENDATION TO ADOPT THE LONG TERM PLAN 2021-2031, SCHEDULE OF FEES AND CHARGES 2021-2022 AND RELATED MATTERS**

The Committee considered a report dated 29 June 2021 from the Chief Executive Officer. Clarence Susan of Audit New Zealand spoke to the Audit Opinion noting the following key points:

- The audit opinion was an 'unqualified' one and had one emphasis of matter which was around the uncertainty of the Three Waters Reform. This was because guidance from the finance sector was to include the Three Waters Reform throughout the LTP as details of the reform were not yet known.

Clarence Susan responded to a question as follows:

- There had been some very interesting audit opinions around the country, with 'Emphasis of Matter' being used quite significantly.
-

Comments:

- The Chairperson thanked staff for their hard work during the lengthy LTP process, which had culminated in a great result for Council. He also thanked Clarence Susan and his team and acknowledged the good relationship between Council and Audit New Zealand.
- Deputy Mayor Scrimgeour commented that, given the huge changes in the world since work on the LTP began, staff had worked very hard to bring Council to a responsible position, given issues, such as Covid-19, that had arisen. There had been huge escalations in insurance and road maintenance costs, as well as implementing the new Kerbside Collection. He felt that they had achieved a very appropriate plan.
- Cr Murray-Benge said she felt Council had been very well lead by Miriam Taris and that the quality of work produced should not be underestimated.
- The Chief Executive Officer thanked Clarence Susan and Audit New Zealand for their work during the LTP process. She felt that, between Council and Audit New Zealand, there was a great working relationship and a clear understanding of each others roles. She thanked both Councillors and staff for their work over the last 18 months, recognising the challenges during difficult and changing times.
