Hi Micaela

The Medical Officer of Health has inquired into this application and has matters in opposition. It appears this is a variation to the original licence; the closing hours have been varied. The Medical Officer of Health does not oppose this.

The Medical Officer of Health opposes the sale of single alcohol products that are 500ml and under at low prices, external advertising of RTDs and bright colours promoting alcohol. The Medical Officer of Health recommends the following:

- 1) *Signage shall be limited to displaying the store name and logo on the existing roof display*
- 2) *No bright colours shall be used in the external decoration of the premises*
- 3) *No specific product or price specials shall be displayed externally*
- 4) *No external advertising shall be displayed by way of flags or sandwich boards outside the store*
- 5) *No single sales of beer, cider, or RTDs priced at, or less than, \$6.00 per unit are to be sold.*

Kind regards

Dawn Meertens
