Ōmokoroa Community Board 23/11/2021	Hall, Ashley	New Item	Matthew Farrell - Kaimai View

Mr Farrell was in attendance to speak to the Board about the below items.

Mr Farrell noted the condition of the footpaths around the urban area of Kaimai Views. He questioned the Levels of Service for these areas and sought clarification from Council regarding what could be done to address this issue moving forward.

Council staff noted that work to address the noxious plants surrounding the footpath areas would be referred to WestLink for immediate spraying. Council would be undertaking a review of the plants specifically chosen for the berm area in the New Year.

**February 2023:**

The small areas of regrowth have now resprayed. Planting is scheduled for early Autumn 2023.

**November 2022:**

The area has now been sprayed to manage any potential regrowth. Planting is expected to commence over the forthcoming weeks.

**August 2022:**

The removal of the pest plants and also the planting which inhibited pedestrian movement throughout Kaimai views stage 1 has now been completed. The gardens have been re-mulched in anticipation of the replanting phase which is scheduled for Spring 2022.

**May 2022:**

A gardening contractor has been appointed to undertake both the footpath and channel clearance works as well as a significant vegetation enhancement upgrade. Works will commence once the Traffic Management Plan has been received and approved by the Traffic Management Coordinator.

**March 2022:**

The Noxious plants within the gardens and growing close to footpaths have now been removed. Additional works to cut back the vegetation overgrowth has been requested but is significantly delayed due to storm damage emergency works. This has put all planned maintenance works behind schedule. Council's contractors are aware of the urgency of the vegetation maintenance within Kaimai views.

**January 2022:**

Further to a number of queries and complaints from Kaimai Views' Residents, The roadside planting within the "Stage 1" development areas shall be subject to a comprehensive review, further to residential consultation and engagement process. This engagement will be completed in the forthcoming weeks. From the analysis of the feedback, Council will then decide the appropriate action required to rectify and mitigate the planting concerns.

The request to remove all pest plants within the gardens and the footpaths and berms was passed to WestLink for immediate action. Council is currently awaiting confirmation from WestLink that these works have been completed.

Ōmokoroa Community Board 2/08/2022	Watson, Peter	Reports	Ōmokoroa Community Board Grant Application - August 2022
<p><b>RESOLUTION OM22-4.5</b></p> <p>That the Ōmokoroa Community Board leave the Grant Application from the Ōmokoroa Cricket Club on the table.</p> <p>That the Ōmokoroa Community Board request for Council staff to follow up with any prior commitment to the Ōmokoroa Cricket Club regarding the reinstatement of cricket nets.</p>			
<p><b>February 2023:</b></p> <p>Staff are finalising the financial contribution towards the replacement cricket nets and will continue to work with the Cricket Club.</p>			
<p><b>November 2022:</b></p> <p>Staff have had several discussions with representatives of the cricket club about Council's commitment to replacing the old cricket nets. The old cricket nets picture below were approximately 65 m<sup>2</sup> in area. The proposed new cricket nets are larger in size. Staff have agreed in principle to fund a pro-rata portion of the net Cricket nets based upon the original area (65m<sup>2</sup>).</p> <p>Staff will continue to work with the cricket club on the installation of new training nets.</p>
